Terms and notes

Subscriptions and shipping

Device subscriptions are charged separately per device and are not included in the promotion or discounted. Shipping charges are additional.

Hyperlocal forecasting

Designated weather station packages include 12 months of hyperlocal forecasting. Annual subscription charges apply from the second year to continue the service. Device subscriptions remain an additional cost per device.

FarmMap4D

FarmMap4D is an annual subscription. Prices shown are per year. FarmMap4D subscriptions are included in the promotion. RRP will apply in Year 2+.

Delivery and invoicing

Delivery planned before Christmas, with timing confirmed when ordering.
